

Autumn 1 – Art

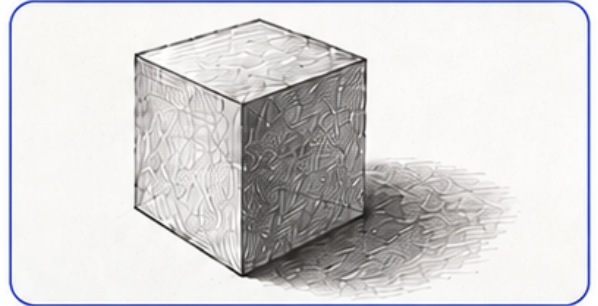

Drawing: Exploring tone, texture and proportion

Exploring tone, texture and proportion to create rich and expressive drawings, inspired by the work of artists **Sarah Graham, Nicola McBride and Beatriz Milhazes**.

1

Lesson 1: 3D pencil drawings

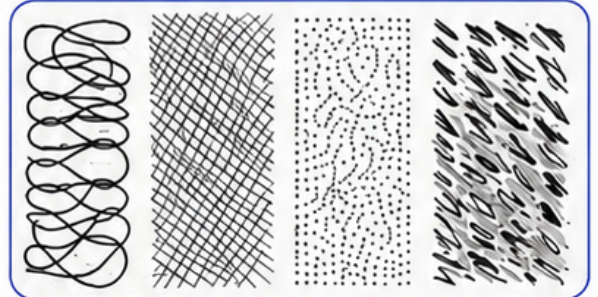

To use tone to create a 3D effect in drawings.

2

Lesson 2: Texture and tone

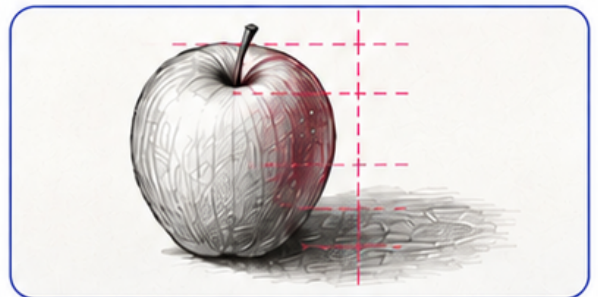

To explore how combining lines and mark making can show texture and tone in drawings.

3

Lesson 3: Understanding proportion

To understand proportion by observing how it is used in artwork.

4

Lesson 4: Creating an effective composition

To understand what makes an effective composition in art.

5

Lesson 5: Using texture, tone and proportion in drawing

To apply an understanding of texture, tone and proportion in a drawing.
