Some of the books we will read:

How to catch a star

Look up

The way back home

Man on the moon – a day in the life of Bob

The Smeds and the Smoos

The Little Rocket

Mole's star

Whatever next!

Aliens love Underpants!

The Skies above my eyes

Snail in Space

Meet the Planets

The darkest dark

Toys in Space

A Place for Pluto

Summer 1: Reception - Space

We are learning to...

- Compare and contrast characters from stories, including figures from the past
- Recognise some environments that are different to the one in which we live
- Know some similarities and differences between the natural world around us and contrasting environments, drawing on our experience and what has been read in class.
- Identify and moderate our own feelings socially and emotionally
- Manage our own personal hygiene needs
- Watch and talk about dance and performance art, expressing our feelings and responses
- Progress towards a more fluent style of moving, with developing control and grace
- Develop our small motor skills so that we can use a range of tools competently, safely and confidently.

Value of the term: Ria Respect

Being kind to all and listening to different views

Topic learning:

- The planets in our solar system
- Studying rockets
- Imagining what it might be like to be in space
- Different environments to our home

Key vocabulary:

star, sun, moon, planet, Earth, Mars, Jupiter, Uranus, Saturn, Mercury, Venus, Neptune, Pluto

As part of our learning we will be:

- Junk-modelling
- Exploring astronauts jobs and day to day life
- Discovering the planets conditions
- Considering how the solar system operates
- Role-playing
- Cooking
- Adventuring
- And much more...

Helpful Reminders

- P.E is every Wednesday
- Homework due every Tuesday and given back every Thursday.
- Keep your reading book and record in bag so it can be regularly changed.

Ria Respect
