

Autumn 2 Nursery - Transport

Maths- Key Learning

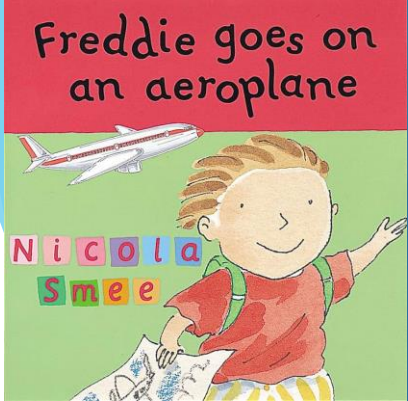

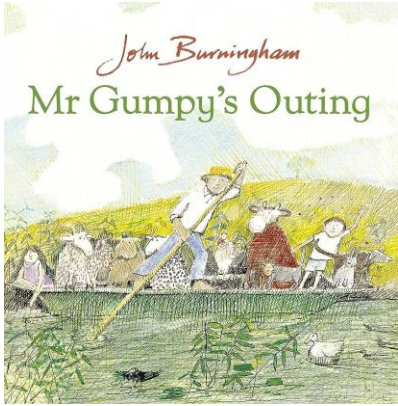

- Develop fast recognition of up to 3 objects, without having to count them individually ('subitising').
- Recite numbers past 5.
- Say one number for each item in order: 1,2,3,4,5.
- Know that the last number reached when counting a small set of objects tells you how many there are in total ('cardinal principle').
- Show 'finger numbers' up to 5.
- Link numerals and amounts: for example, showing the right number of objects to match the numeral, up to 5.

English - Key Learning

- To understand the five key concepts about print: print has meaning, print can have different purposes, we read English texts from left to right, top to bottom, the names of different parts of a book and page sequencing.
- To be able to attend to a story and remember much of what happens.
- Use a wider range of vocabulary.

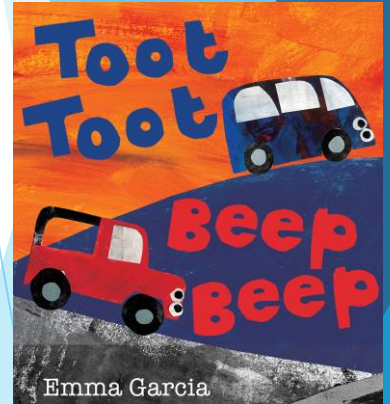

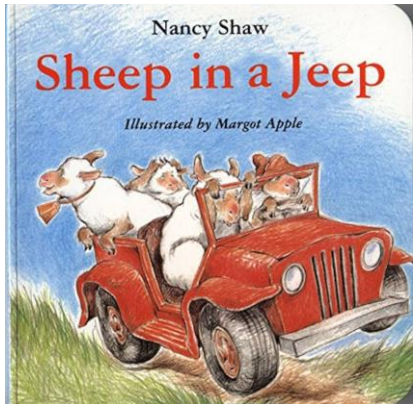

Transport

The children will be learning to:

- Label different modes of transport.
- Talk from personal experiences of times they have travelled on a bus, train, scooter, boat or aeroplane.
- Make different junk model vehicles.
- Listen and explain what has happened in a story linked to our topic.
