

Spring 1 Nursery - Insects and Growing

Maths- Key Learning

- Recite numbers past 5.
- Say one number for each item in order: 1,2,3,4,5.
- Know that the last number reached when counting a small set of objects tells you how many there are in total ('cardinal principle').
- Show 'finger numbers' up to 5.
- Link numerals and amounts: for example, showing the right number of objects to match the numeral, up to 5.
- Recognising numbers to 10.
- Describing and sorting objects by height, length, mass and capacity.

English - Key Learning

- Recognising initial sounds i, n, p, g, o and c.
- Naming objects that start with the sounds i, n, p, g, o and c.
- Listening to and retelling stories they have been read.
- Role playing characters with new information learnt.
