Phonics Parent session

Thank you to the parents that attended the Phonics parent information session yesterday. The teachers, Miss Mohamed and Mrs Amin, led an excellent session and explained our approach to teaching phonics, and gave strategies for parents to try at home too. Have a look on the school website – Tab – ‘Learning’ then, ‘Year Groups’ - Click the Phonics icon.

Termly - SENDCo Parent meetings

Each week on a Tuesday morning there will be a SENDCo / Parent meeting. An invite will be sent out shortly to each parent for any child that has an EHCP. This will provide a space to have an informal discussion about academic and pastoral development, as well as an opportunity for each parent to visit the classroom and see the learning environment.

Website

We are currently developing and making changes to the school website. The new look website should be ready by the end of November. Information about class learning is still available: Click on the Learning tab, then ‘Year Groups’ and then ‘**What we are learning**’ – here is an example for Year 6. **Autumn 2**
