School Closure

Friday 15th May 2026

7th May 2026

Dear Parents and Carers,

I am writing to inform you that the school will be closed for one day on Friday 15th May due to essential maintenance work being carried out to resolve an ongoing issue with low water pressure and water flow across the site.

Unfortunately, the current water supply issue is affecting the normal operation of the school, including access to toilets, handwashing facilities, and other essential services. In order to complete the necessary repairs safely and effectively, the school site will need to remain closed for the day.

We apologise for any inconvenience this may cause and appreciate your understanding and support while these important works are completed. We expect the school to reopen as normal the following school day i.e. Monday 18th May.

Class teachers will prepare a homework pack for each child. The pack will contain English, Maths, Science and Topic, and will be given out on Thursday 14th May.

If there are any further updates, we will communicate them with you as soon as possible.

Thank you for your cooperation.

Yours sincerely,

Mr. D Mc Garrigle
