

Have a great Summer break!

As we come to the end of another fantastic school year, I would like to take this opportunity to thank parents for your continued support, encouragement, and partnership throughout the year. It has been a pleasure working with your wonderful children, and I am incredibly proud of everything they have achieved. Your participation in school events makes our school a better place for everyone. Thank you parents for the support - especially for fundraising and at recent events i.e. International Day (see image) and Sports Day, including the Year 1 competitive parents (maybe not the runners that jumped the starting gun though...).

This year has been filled with learning, laughter, resilience, and growth. Watching the children develop both academically and personally has been a privilege. They have embraced every challenge with enthusiasm and determination, and their hard work has paid off.

I would also like to congratulate the Year 6 on their excellent SATs results. Their success is a testament to their commitment, perseverance, and positive attitude towards learning. Thank you for the support you have given at home—it has made a significant difference and has helped the children reach their full potential.

A special thank you also goes to Mrs Shehu for her passion and determination in pushing each child to achieve. Year 6 outcomes – Reading 100%, Maths 97%, Writing 97% and SPaG 100% – are exceptional results. As they move on to the next stage of their education, I know they will continue to thrive and make us all proud. I wish each and every one of them the very best for the future.

break.

As we come to the end of the school year, I will wish you all a happy, relaxing and sunny summer holidays. I hope you have lots of fun, make wonderful memories and spend precious time with your families.

Have a fantastic summer, and I look forward to seeing everyone again in September.

Best wishes,

D. Mc Garrigle

Key date:

Pupils return to school on Thursday 3rd September.

Autumn2026

September

- 23rd Assessment week

December

Fatima Friendship

- 7th & 8th Year 4 Parent Consultations
- 10th EYFS Nativity
- Winter Fair (TBC)

Leavers

Miss Elmi has worked at Addison for three years, joining in September 2023 as an Early Career Teacher (ECT). In this time she has excelled as a classroom practitioner and led numerous improvements in Key Stage 2, supporting pupils in achieving excellent MTC results, and organising super sporting events, including the recent successful Sports Day at St. Paul's. Miss Elmi is leaving England, only for the time being, to embark on a new exciting teaching career in Abu Dhabi – we wish you the very best in your next chapter!

Mr Ozzi has only worked at Addison for a relatively short period of time, joining this academic year as a Learning Support Assistant, supporting teaching & learning in class.

Such was this positive experience that he has decided to go forward from September and train at Roehampton College to become a class teacher. We also wish Mr Ozzie the very best in his next chapter too!

Blueberries Class

What a busy, exciting and memorable time in Reception as we enjoyed our final trip to Pizza Express and took part in our two-week transition into Year 1. Children embraced the opportunity to explore their new classroom, meet new adults and become familiar with the routines they will experience next year. They especially loved spending playtimes on the larger playground alongside the rest of Phase 1, approaching this new experience with confidence and enthusiasm.

One of the highlights was celebrating International Day by learning all about Sweden. The children thoroughly enjoyed discovering Swedish culture and proudly performed a fantastic dance to ABBA's, 'Dancing Queen'. They also created beautiful artwork inspired by the Swedish artist Hilma af Klint, experimenting with colour, shape and pattern to produce vibrant and imaginative final pieces. It is incredible to look back and see just how much every child has grown. They have developed into kind, curious and resilient learners who are ready to embrace the next stage of their school journey. Their confidence, independence and willingness to challenge themselves have flourished and we could not be prouder of all they have achieved this year. It has been a privilege to teach this wonderful class. Thank you for your continued support and partnership throughout the year—it has made a real difference to the children's success. We wish every child and their family a happy, restful summer and all the very best as they begin their exciting adventure in Year 1. We know they will continue to thrive and make us all incredibly proud.

Jade Class

We are extremely proud of all that the children have achieved, particularly their fantastic progress in phonics and the brilliant writing they produced during our, 'Seas and Coasts' topic. Their enthusiasm for maths and science has also been wonderful to see.

It has been a brilliant year, filled with memorable experiences and performances. The children sang beautifully in our, 'Alice in Wonderland' show and it was incredible to see how much their confidence has grown.

One of the highlights was our trip to Littlehampton Beach. It was an amazing experience and the children remembered so much from our topic lessons. They were able to identify many of the coastal features they had learned which was wonderful to see.

Throughout the year, the children have consistently demonstrated our school values by showing kindness to one another, working hard even when things felt challenging and taking pride in their learning.

A big thank you to all of our parents for their continued support throughout the year and for all the help with our fundraising. Your generosity and encouragement have been greatly appreciated. Well done Year 1, we are so proud of you!

Sapphire Class

What an incredible way to end the school year! Summer 2 has been filled with memorable experiences, outstanding achievements and wonderful moments that have showcased just how much the children have grown in confidence, resilience and independence.

One of the biggest highlights of the half term was our vibrant 'International Day', where our country focus was South Korea. The children loved learning about South Korean culture, traditions and landmarks before proudly performing Soda Pop. Dressed in colourful costumes, they sang with enthusiasm and confidence, making it a joyful celebration that was enjoyed by the whole school community.

Another proud moment was our Art Exhibition, where the children showcased their beautiful oil pastel drawings inspired by the abstract artist Kim Whanki. They explored his unique style and carefully created their own vibrant pieces of artwork, demonstrating fantastic creativity and attention to detail.

Our end-of-year production of, 'Alice in Wonderland' with Year 1 was another unforgettable success.

The children amazed us with their confidence, expressive acting, beautiful singing and clear speaking. They worked incredibly hard during rehearsals and delivered a truly outstanding performance that made us all immensely proud.

PUPIL LEAVERS...

CAN YOU NAME THESE PUPILS?

Thank you for being part of our **Addison** family ♥

BE KIND

BE RESPECTFUL

BE RESPONSIBLE

BE YOUR BEST
