Year 3 Trip to the Natural History Museum

Tuesday 20th October

13th October 2026

Dear Parents/Carers,

As part of our science topic, 'Rocks, Soils and Fossils', we have planned a trip to the Natural History Museum on Tuesday 20th October. This exciting visit will give the children the opportunity to explore rocks, soils and fossils, helping them understand how they are formed and what they can tell us about the history of the Earth.

We will be travelling to the Natural History Museum by London Underground. We will leave school at 9:10am and walk to Hammersmith Underground Station, where we will take the Piccadilly line directly to South Kensington Station. From there, we will walk to the Natural History Museum, using the designated pedestrian crossings and ensuring that all children remain together under adult supervision. We will return to school by 2:45pm.

All children must wear full school uniform and suitable footwear. Please keep an eye on the weather forecast and ensure your child is dressed appropriately for the conditions.

Please ensure that your child brings a water bottle with them on the day, as they will need to carry it throughout the visit. A packed lunch will be provided for this trip.

If you have any questions, please email me at: year3learningsupport@addison.lbhf.sch.uk or speak to me after school.

Yours sincerely,

Mr Galdini
Class Teacher
